

SWAN LAKE LOOP TRAIL

Swan Lake

Access to the Swan Lake Nature Reserve is from Old Kamloops Road, turning into Stawns Honey and following a gravel road 0.7 km to a parking area at the trail head. On this map the trail is the loop with the road shown connecting to Old Kamloops Road. The 1.8 km loop trail on the western field takes walkers around the open land at Swan Lake. It includes three interpretive signs explaining species and habitat. ABSOLUTELY NO DOGS - this is a nature reserve and bird sanctuary.
